

ENEOS

ENEOS FULLY SYNTHETIC MOTOR OILS

ENEOS 5W-30

ENEOS 5W-30 Fully Synthetic Motor Oil is 100% fully synthetic motor oil blended from high-performance hydro-refined base oils and an optimized additive blend to provide enhanced piston cleanliness, reduced engine sludge, and improved turbocharger protection.

It provides outstanding oxidation stability at high temperatures. Meets API SN/RC and ILSAC GF-5 standards and is dexos1™ approved, providing broad compatibility with domestic and import vehicles.

DEXOS1 GEN2 Approved

Outstanding Oxidation Stability at High Temps

ENEOS 5W-30 is certified as the latest API SN PLUS standard for gasoline engine oils.

Excellent Engine Cleanliness and Water Resistance

ENEOS 5W-30's excellent engine cleanliness and wear resistance have been proven in official laboratory tests in the United States. This performance has also been confirmed in a full range of vehicle tests.

Less Oil Consumption

The consumption of motor oils depends largely on the type of base oil. Because ENEOS 5W-30 is blended from high-performance oils, it has less oil consumption, so users can look forward to adding less oil to their engines.
